PRESS RELEASE

SEATCHOICE.COM ANNOUNCES SPONSORSHIP OF NEW COMEDY

Theatre ticket comparison site pledges support to grass roots theatre

SeatChoice.com, the first theatre and concert ticket comparison website, is proud to sponsor the World premiere of 'The Parallel of Paul', a new comedy by Dominic Mitchell.

The play, described as an irreverent, metaphysical black comedy, is being staged for just four performances at the acclaimed Theatre503 at The Latchmere, Battersea Park Road, SW11.

Robert Iles, founder of SeatChoice.com, said: 'We're delighted to be sponsoring this new PostScript production at Theatre503. One of the glories of London theatre is that there are dozens of these small venues putting on productions which drive the great new writing and acting talent that is the life-blood of a healthy theatre industry. The Parallel of Paul is a wonderful play and it's the first of a number of productions SeatChoice.com looks forward to supporting this year.'

About the play

The Parallel of Paul by Dominic Mitchell

A PostScript Theatre production directed by Gene David Kirk.

Trudi Taylor has done a terrible thing...

She's accidentally erased her husband and ruined her only son's life...

It all started innocently enough. Trudi discovered a wormhole in the family's beloved rust pot caravan in the back garden and was instantly transported through time and space.

After tiring of visiting well-known cultural events in history she started meddling in her son Paul's life but her good intentions have now irreparably changed Paul's past and present making him a shell of his former self. Or so Trudi believes.

When Paul comes calling he is absolutely horrified... perhaps his mother's MS has finally got the better of her fragile mind.

The Parallel of Paul is at Theatre503 from Wednesday 25th to Saturday 28th of February 2009 at 7.45pm.

Tickets are just £10 each and are available from SeatChoice.com or Theatre503 or by calling the Box Office on 020 7978 7040.
